### Radiant Temple Treasures

Many cultures tell versions of the myth of the Radiant Temple—a great bastion of light created during the ancient war between the gods and the primordial. Though the temple was taken to the celestial realms by the gods in the aftermath of their victory, a number of its faithful stayed behind in the mortal realm. The treasures they bore became their legacy.

Any character can wield the Radiant Temple Treasures, but they're most useful to avengers.

2: When your oath of enmity reduces a target to 0 hit points, you gain temporary hit points equal to twice the number of items you have from this set.

4: You gain a +10 bonus to your first death saving throw each day.
